- **October is the month of the Holy Rosary:** <http://www.catholic-kids.com/rosary.htm>
- **Thanksgiving/autumn resources** are on display in the library. Please be considerate and return materials as soon as you are finished with them. This will allow another teacher to use the same resource. **Hallowe'en resources** will be on display after Thanksgiving weekend.
- **Autumn Poetry and Songs:** <http://www.dltk-holidays.com/fall/fallpoetry.htm>

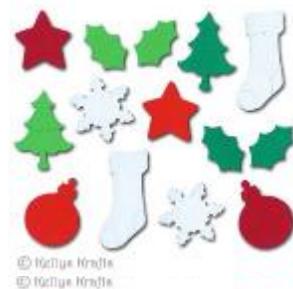

- **Pumpkin facts and science:**

- **NMC Medianet:** Resources can be searched by topic, keyword, subject or grade level. There are also holiday and special occasion resources, but book now to avoid disappointment later! The NMC mailbag gets picked-up and delivered every Monday and Wednesday. If you have ordered something, please be sure to check the bag that hangs in the library. Check out the link on mysite – it is a purple circle towards the bottom of the screen.

- **Die Cut Services at NMC:** They have over **450 new die cut patterns!!!!!!** I will put a flyer on beside the technology sign-out binder for you to peruse!! You supply the material and NMC does the work!

- **Strawbees:** Also at the NMC are strawbees designs. Want to create and build with your students? Gives strawbees a try. There are a plethora of resources on their site: [www.strawbees.com](http://www.strawbees.com) Again, you supply the material and NMC does the work for you!
- **Mysite/MyClass/LMS etc...** please let me know how I can be of assistance to you in these areas. You can drop me an email and I can meet you on your planning time.

It is impossible to walk along a path  
in the autumn and not pause to appreciate  
the beautiful world God made!
