## CSC Monthly Meeting Calendar

Your CSC meets monthly during the school year, at 6pm in the Staff Room; see specific dates listed below. All parents are welcome to attend any CSC meeting during the school year whether on the committee or not.

Monday May 12, 2014 6 p.m.

## Donations to Catholic School Council

Throughout the school year, the CSC hosts events and activities for the staff, students and parents of BJPII. Many of the refreshments for these events are donated by local businesses; for this we are always grateful.

We would like to extend this opportunity to you, the BJPII school community, to assist the school in hosting these events at little to no cost to the committee. If you or anyone you know would like to donate items for any upcoming event, please contact us at 905-525-1300; many thanks.

## Canonization Event

On Thursday May 1, 2014 at 6:30 p.m., BJPII will host a celebration to honor the canonization of Blessed John Paul II and the renaming on the school.

Join us to mark this momentous occasion by starting in the gymnasium for prayers and refreshments, then take a moment and tour the school to see your student's classroom work during Catholic Education Week.

We hope that you and your family can join us!
